

**Zillah School District
Title I Plan
2017-2018**

Definition	Title I, Part A is a federal program that serves the unique needs of children — kindergarten to grade 12 — who struggle to learn. Title I programs and services provide customized instruction and curricula that helps these students meet academic standards and take an active, engaged interest in what they learn and can do. As the oldest and largest federal education program, Title I programs build equity of opportunity for children whose struggles often keep them on the academic sidelines.
Focus	The Zillah School District has identified Hilton Elementary School and Zillah Intermediate School as School-Wide Title I schools. Both buildings utilize funds to fully support K-4 literacy as well as support struggling learners with an emphasis on those of poverty.
Student Eligibility	Both Hilton Elementary and Zillah Intermediate School are identified as School-Wide Title I schools, which allows for all students attending these schools to be eligible to receive services.
